Delivering Qualifications in the Workplace

SOCIAL SERVICES & HEALTHCARE CHILDREN & YOUNG PEOPLE SCQF LEVEL 9

All Children and Young people centres need staff who are able to deliver a high quality standard of care. It is important that staff employed in this area are properly trained in the skills and knowledge required to enhance the life of children and young people they support.

RT Resources Ltd can offer the Social Services Children and Young People Apprenticeship at SCQF Level 9 whilst you are employed in a local Children & Young Peoples Service.

The Social Services and Children and Young People SVQ has been developed for candidates working as Team Leaders, Supervisors and Service Managers in a variety of young people and children settings.

Topics covered include lead practice, management, finance and advocacy. The qualification is achieved by assessing your work practice and therefore it is important to select units which best fit your job role.

This is an ideal qualification for Supervisors, Leaders and Managers who wish to complete an SVQ for registration purposes or develop their career further.

Find out more about the qualification overleaf.
